8. MOTION ON POOR STATE OF ISIOLO REFERRAL HOSPITAL'S MORTUARY (BY HON.IDD HASSAN).

THAT, Aware that Mortuaries and mortuary services are very crucial support services to healthcare delivery - preservation of human corpses awaiting identification or removal for autopsy, burial or any other post-death rituals; further aware that Mortuaries have for long been used as places to preserve, prevent deterioration of human corpses and useful sources for tracking records and information on dead persons as well as an institution for research; appreciating that the Fourth Schedule of the Constitution of Kenya 2010 under Article 185 (2), 186 (1) and 187 (2) has assigned the County Government responsibilities of County Health facilities and pharmacies including mortuary; worried that there are unclaimed and decomposed corpses (above mortuary capacity), which have not been disposed-off to date; concerned that Isiolo County Referral Hospital's mortuary is poorly equipped with no functional preservation machine/equipment (**cooling Unit**); deeply concerned that the current situation at the mortuary is so unhygienic caused by decomposed - unpreserved dead bodies for a year resulting in foul odour which becomes a nuisance and emitting potentially hazardous toxic gases to the nearby communities; this Assembly urges the CEC member for Health services to urgently dispose the decomposed corpses and immediately equip the mortuary with necessary equipment for its efficient functioning and maintenance.
