NOTICE OF MOTION FOR WEDNESDAY, 15TH NOVEMBER, 2017 AT 9.00 AM

MOTION ON THE ALMASI CHILDREN VILLAGE SUPPORT BY THE COUNTY GOVERNMENT (BY HON. STELLA NTUTI)

THAT, Acknowledging that the provisions of Article 54 (1) of the Constitution of Kenya, 2010 guarantees that any person with disability is entitled to access educational institutions and facilities for persons with disabilities that are integrated into society to the extent compatible with the interests of the person and to access materials and devices to overcome constraints arising from the person's disability; Concerned that parents with disabled children are stigmatized and are also discriminated against by the society which results to further depression; deeply concerned that large percentage of parents with children with disabilities and mostly headed by single parents live in abject poverty living from hand to mouth/hardly access medical services, let alone providing education for their children; Worried that these children would not access basic education in this era of free primary education as the only institution they depend on was closed due to lack of teachers because of payment challenges, lack of learning materials and other basic needs; this Assembly urges the County Executive Committee Member for Education, Sports, Culture, Gender and Social Services to re-open and equip the ALMASI Children Village to relieve burden from parents who struggle with their children with special needs.
