**(BY HON. NURA DIBA)**

That, Aware that Section 137 of the Public Finance Management, 2012 provides for establishment of county budget and economic forum for county budget consultation process; Further Aware that the purpose of the Forum is to provide a means for consultation by the county government on preparation of county plans, the County Fiscal Strategy Paper and the Budget Review and Outlook Paper for the county and matters relating to budgeting, the economy and financial management at the county level; Concerned that since the inception of County Governments as far as 2013, this County has never established this very important forum as required by law; Informed that there has been a challenge in establishing informative program based budgets in this county; Worried that a failure to establish this forum will jeopardize budget processes in this county; This County Assembly urges the County Executive to urgently establish the Isiolo County Budget and Economic Forum to assist in the budget consultation process in the county.
