II. Measures being taken to guarantee safety of the visitors to the game reserves and parks.

Madam Speaker this is the high season; it is the time we get many tourists. Despite the high harsh condition and the drought which is biting

our livestock, I think also the parks is part of our livelihood. The department concerned should take immediate action to see that our parks will be free from livestock and safe for tourism, thank you Madam Speaker.

Hon. Mohammed Jirmo: (Cherab) I undertake to get the response in three weeks' time.

(noisy amid consultations)

Hon. Abdi Duba (Wabera**):** Madam Speaker this is a matter of urgency, because the influx of livestock in the park, is increasing day by day. This is high season already the information I got from the ground is that some of the tourist who had booked have withdrawn their bookings due to influx of livestock in the park. When there is so many animals in the parks, the wildlife run away from where domestic animals are, the domestic animals are found in the interior of the park. It is a matter of urgency three weeks is along time.

Hon. Mohammed Jirmo (Cherab): I think I will finish up within two weeks. The two weeks is enough.

Hon Madam Speaker: I think in two weeks' time, that will be 6th August, 2019.

Meanwhile as we go on adjournment, other activities will continue like the tourism sector and any other Committee that shall call for a meeting, in any other place. Thank you Madam Speaker.
